Andesite Mountain has some of the resort's most notable intermediate cruising runs, some comfortable south-facing beginner trails, several expert tree runs and a superpipe and giant terrain park.

Flat Iron Mountain is on the eastern shoulder of Andesite and offers even more variety.

The mountain offers 4,350 vertical feet on over 3,600 skiable acres covered with over 400 inches of snow annually. Big Sky Resort is located 45 miles south of the Bozeman airport.

**RESERVATIONS:** Please reserve as soon as possible. Space is limited. A deposit of \$250 per person, per trip, is required with application.

**CANCELLATION PENALTIES:** Every airline and hotel property now has different cancellation policies, but you can generally assume that there will be no penalty until 90 days prior to departure. **TRIP CANCELLATION INSURANCE IS STRONGLY SUGGESTED.** It may be purchased from Ski.com. To purchase insurance call [Gloria@ski.com](mailto:Gloria@ski.com) 800-837-0155 or [Meredith@ski.com](mailto:Meredith@ski.com) 800-525-2052 ext 3017. Or you can email any questions to the email address noted above. Please note the trip reservation numbers below when you order insurance to make sure you are insuring the correct trip!

The insurance company is Vacation Guard and the cost of a policy for trip cancellation is 6% of the amount you choose to cover regardless of your age. It is **only available for West Long Branch packages purchased through Ski.com.**

***Emergency medical coverage is the same regardless of the amount of cancellation coverage.*** In other words you will receive the **same medical coverage** if you cover \$500 of **trip cancellations** for \$30 as you will if you cover \$1,500 of trip cancellation for \$90. The decision is up to you.
